## **Childhood Illnesses: *Advice and Understanding***

An interactive talk by Doctor Martin Kittel and  
Advanced Nurse Practitioner Michelle Benson

If your child isn't well, it's important to be able to recognise what could be wrong with him or her - and to know what to do. This informative meeting will help you do just that - with plenty of opportunity to ask questions, too.

**Meningitis Rashes Fevers**

**Tummy Pain Hair Lice Red Eye**

**Fevers Coughs Colds Flu**

**Diarrhoea Vomiting**

**Bites Styes**

***What to Recognise – What to Do!***
